Your tour will pass by the City Hall, the Opera house, The Crown Bar (dates from 1885), Queens University and the Botanic Gardens. Some tours will take in a visit to the Harland and Wolfe Shipyard, where the Titanic was built and launched in 1912. A visit to the Shankill and Falls road will be of interest as it will give the visitor an indication of how life was in Belfast during the troubles..

- Then visit **Titanic Belfast**.

Located in the heart of Belfast, the Titanic Belfast recreates the story of the world's most famous ship in an iconic, six floor building right beside the historic site of the original ship's construction. Opened in April 2012 to coincide with the centenary of its launch, the self-guided journey begins on entering the building's giant atrium, where the visitor is surrounded by the four 'ship's hull' shaped wings which house the Titanic Experience. As you journey through the nine large galleries of the interactive exhibition, you will uncover the true story of the Titanic, from her conception in Belfast in the early 1900's, through her construction and launch, to her famous maiden voyage and subsequent place in history.

Celebrate Mass. Overnight, dinner, bed and breakfast at your hotel in **Belfast** or area.

DAY 3: Wednesday 17th April 2024 – BELFAST

This morning visit **St. Patrick's Catholic Cathedral Armagh** and celebrate mass.

St. Patrick's Roman Catholic Cathedral is an imposing site, perched on the hilltop in Armagh and dominating its skyline. The church was begun in 1840, but because of the intervening famine years, not completed until 1873. The cathedral was designed and built in Neo Gothic style from pale limestone, with large twin spires dominating the approach up flight after flight of steps. Sculptured statuary forms a unique arch over the main entrance. The sanctuary was modernised in 1981 and has a very distinctive tabernacle holder and crucifix, which appear out of place with the mosaics and statues in the rest of the church. There is a rich Austrian oak woodwork and an Irish granite altar. The painted ceiling is ornate. The walls are painted with rich colours that blend easily with the stained glass windows. Armagh is the ecclesiastical capital of Ireland.

- After visit **Saint Patrick Centre**.

St Patrick is known worldwide as the patron saint of Ireland and that he is celebrated on the 17th March every year. Now discover the story of St Patrick and his place in Ireland's history at the St Patrick Centre, located beside Down Cathedral and St Patrick's Grave in the Medieval heart of Downpatrick. As the main destination on the Saint Patrick Driving Trail which runs from Armagh to Bangor, the centre welcomes the casual leisure traveller, student groups on educational trips and those with a knowledge of St Patrick that want to explore more detail about his background. It features an interpretative exhibition which tells the fascinating story of Ireland's Patron Saint. The visit begins with the impressive 'In the Footsteps of Saint Patrick' Imax presentation about the life of St Patrick and has aerial video footage of some of the landmark sites in Ireland associated with the Saint.

- Later visit **Down Cathedral** in Downpatrick.

Down Cathedral overlooking Downpatrick, stands close to what is believed to be the mortal remains of Patrick, the Patron saint of Ireland. Visitor can access the cathedral via gardens at the back of the St Patrick's Centre or through English street from the town centre. The Cathedral is impressive inside and has a wonderful organ and a very interesting seating arrangement. A retail area is housed at the entrance of the Cathedral. It is generally accepted that the main walls of the Cathedral date from the years after 1220. It suffered destruction on numerous occasions including during the wars with Edward Bruce in 1316 and finally, on the suppression of the monasteries in 1541, the Cathedral was laid waste. Notwithstanding its ruinous state which lasted until 1790, King James I granted a Charter to the Cathedral in 1609, providing for a Dean and Chapter. Rather than lose the connection with Patrick, the name began to be used for the growing town, which assumed the name Downpatrick. Rebuilding of the Cathedral began in 1790, it was consecrated in 1818 and the tower was completed in 1829. The Cathedral was closed again for repairs and renovations in 1986/7. Attacks of rot were so extensive that the Cathedral Board, acting on professional advice decided to remove almost the entire interior plaster walls and vaulting. What the visitor sees now is an almost entirely new interior, a replica of that which it replaced. The cost of this was upwards of £750,000 which was all raised voluntarily. Overnight, dinner, bed and breakfast at your hotel in **Belfast** or area

DAY 4: Thursday 18th April 2024 – BELFAST TO DONEGAL

This morning depart Belfast and journey to Donegal. En-route visit **Corrymeela** and enjoy a story telling with tea/coffee. Then visit **Giants Causeway**.

Encounter Northern Ireland's favourite giant Finn McCool at the new Giants Causeway Visitor centre on the North Antrim coast which opened in the summer of 2012. According to legend Finn McCool created the Giants Causeway by building stepping stones to Scotland to challenge the Scottish giant Benandonner! The new Visitor centre explores the major themes of mythology, geology, landscape, ecology, culture and social history based on the UNESCO World Heritage site that consists of 40,000 basalt polygonal columns formed 60 million years ago after a volcanic eruption. There are various interactive exhibits and short video presentations within five designated interpretive exhibition areas and the self guided visit will culminate with a spectacular two minutes audio-visual projection of a volcanic eruption flowing over the walls and onto the floor. Other services and facilities include a large craft and souvenir shop, Tourist Information and restaurant. To enhance the wider visitor experience around the site, a hand held audio guide is available in a range of languages which will bring the wider World Heritage Site to life and inform visitors of unique features to look out for across this amazing landscape. Guided tours of the site are also available. The walks and trails around the World Heritage Site have been upgraded, with the addition of a new accessible cliff top walk for families and people with disabilities. In 2015, Conde Nast Traveler magazine included hopping the stones of the Giant's Causeway as one of the '50 things to do in Europe before you die'. Celebrate Mass. Overnight, dinner, bed and breakfast at your hotel in **Donegal** or area.

DAY 5: Friday 19th April 2024 – DONEGAL TO COUNTY MAYO

Groups are always welcome and can avail of guided tours, private Mass and a visit to the award-winning Knock Museum.

- Later visit **Ballintubber Abbey**.

Built in 1216 for the Canon Regulars of St Augustine, Ballintubber Abbey is the only church in Ireland that was founded by an Irish King and which is still in use today. It was built next to the site of an earlier church founded by St Patrick in the 5th century. It is also known as "the Abbey that refused to die" as through its many vicissitudes, including burning by Cromwell's army in 1653, the Abbey has remained a place of worship despite years of continuous attacks and religious repression. Ballintubber retains an air of ancient beauty and spirituality and has been restored with simple elegance. Ballintubber is one of the most impressive church buildings in Ireland today. There is a video display and an interpretative centre at the Abbey and the grounds are landscaped to portray spiritual themes.

Overnight, dinner, bed and breakfast at your hotel in **County Mayo** or area.

Kylemore Abbey is stunningly located in the Kylemore Pass in Connemara. Mitchell Henry built the House in 1868, after having spent his honeymoon in the area. The architecture is best described as neo-gothic and the house still displays all the characteristics of that period. One of Kylemore Abbey's most famous features is its miniature cathedral, built in 1870 and known locally as the Gothic church. Today, the abbey is home to the Irish order of Benedictine nuns. They established a private school for young girls, which was the renowned Kylemore Abbey International School. The school eventually closed in 2010. Facilities at Kylemore include a visitor centre, an exhibition housed in the main reception rooms of the house and a video which takes the visitor through the history of the house and its occupants. The Gothic church is available to visit and as a venue for choir groups to sing in. If time allows guests can also visit the Kylemore Abbey Victorian Walled Garden was laid out in 1867 and took three years to complete. Standing 230 metres above the ground at their highest point and 8km long, the Cliffs boast one of the most amazing views in Ireland. On a clear day, the Aran Islands are visible in Galway Bay as well as the valleys and hills of Connemara. The cliffs reach their highest point just north of O' Brien's Tower built by Cornelius O' Brien, a descendant of Brian Boru, to entertain his lady friends. A visit of the tower is also possible. The main tourist routes of the West of Ireland's Shannon Region are linked via the Killimer-Tarbert car ferry. This pleasant, 20 minute journey travels across the Shannon Estuary which is almost 100km in length and 13km wide at its widest point. Ecologically, the Shannon estuary has a unique value with a group of bottle nosed dolphins resident in the estuary. As well as this, the estuary is an important habitat for migrating birds and wild fowl. The ferry can take car and coach vehicles. Built in 1446, Blarney Castle is famous for its Blarney stone, the Stone of Eloquence, which is traditionally believed to have the power to bestow the gift of eloquence on all those who kiss it. Many legends tell the story of the Stone, but why not kiss it and find out the truth behind the legend. The Castle gardens covering 60 acres of land are under constant change and over the past few years, a water garden, fern garden and poison garden have been developed and are all open to visitors. Celebrate Mass.

Follow the old distillery trail through mills, maltings, stillhouse, warehouses and kilns and view the largest pot still in the world - some of these buildings date back to 1795. The tour ends in the Distillery pub, where all are invited to enjoy a glass of Irish Whiskey. During the visit a number of volunteers are selected to take part in a tasting session to compare a Jameson whiskey with a Scottish Whisky and American bourbon. St. Patrick visited the rock in 450 AD, while Brian Boru was crowned the first high King of Ireland here in the tenth century. Granted to the church in the twelfth century, by the O'Brien clan, today the impressive stone walls enclose a round tower, a cathedral, a twelfth century Romanesque chapel and high crosses. The Vicars Choral has been recently restored and its basement houses a small museum of artefacts found on the site. One of the leading visitor attractions in Ireland, in 2011 it was visited by Queen Elizabeth II on her historic first visit to the Republic of Ireland.

DAY 11: Thursday 25th April 2024 – WATERFORD TO DUBLIN

This morning journey from Waterford to Dublin. On arrival enjoy a **panoramic city tour**.

Enjoy a panoramic tour of Dublin City. Here you will discover the north and south side of the River Liffey. This area offers great striking monuments such as the GPO (General Post Office) on the city main thoroughfare, O'Connell Street, or the Custom House along the quays, as well as the Phoenix Park, the largest public park in Europe. The south side appears more sophisticated with its vast Georgian squares, such as Merrion Square, where Oscar Wilde's House can still be found (today owned by an American College), its colourful doors, along with Grafton Street and its quality shops. Not so far from St. Stephen's Green, in Kildare St., you will see the house of Bram Stoker, the author of Dracula. This part of the city is also dominated by the students of Trinity College, where the famous book of Kells is permanently exhibited in its library. The university is facing the medieval district where Dublin Castle and the two Anglican Cathedrals can be found.

- Then visit **Trinity College and the Book of Kells**.

Trinity was founded in 1592 by Queen Elizabeth 1st on grounds confiscated from an Augustinian priory and is the oldest university in Ireland. The Campanile, erected in 1852, was built on what is believed to be the centre of the monastery. Built to further the education of the ruling Anglo-Irish families, restrictions were imposed to prevent Catholic from attending courses. These restrictions were not fully lifted until the 1970's. Trinity however admitted women in 1902, earlier than most British universities. Most of the main buildings off the main square were built during the Georgian period, some of which replaced older buildings. Within its walls, visitors will be able to admire Parliament Square and its 18th Century edifices. Overnight, dinner, bed and breakfast at your hotel in **Dublin** or area.

DAY 12: Friday 26th April 2024 – DUBLIN

The exhibition shows how the brew has been marketed and how it is today sold in over 150 countries. Launched on the fifth floor in 2011, "Five" at Guinness Storehouse, includes a small replica authentic Irish Bar, an 18th Century inspired Brewers Dining Hall, and a restaurant named Gilroy's where guests enjoy a Guinness gastronomic experience driven entirely by the Irish tradition of wholesome local produce. Menus include local foods such as Ardsallagh goat's cheese, Irish mussels from Carlingford and the Waterford Blaas bread supplied by MD Bakery in Waterford.
